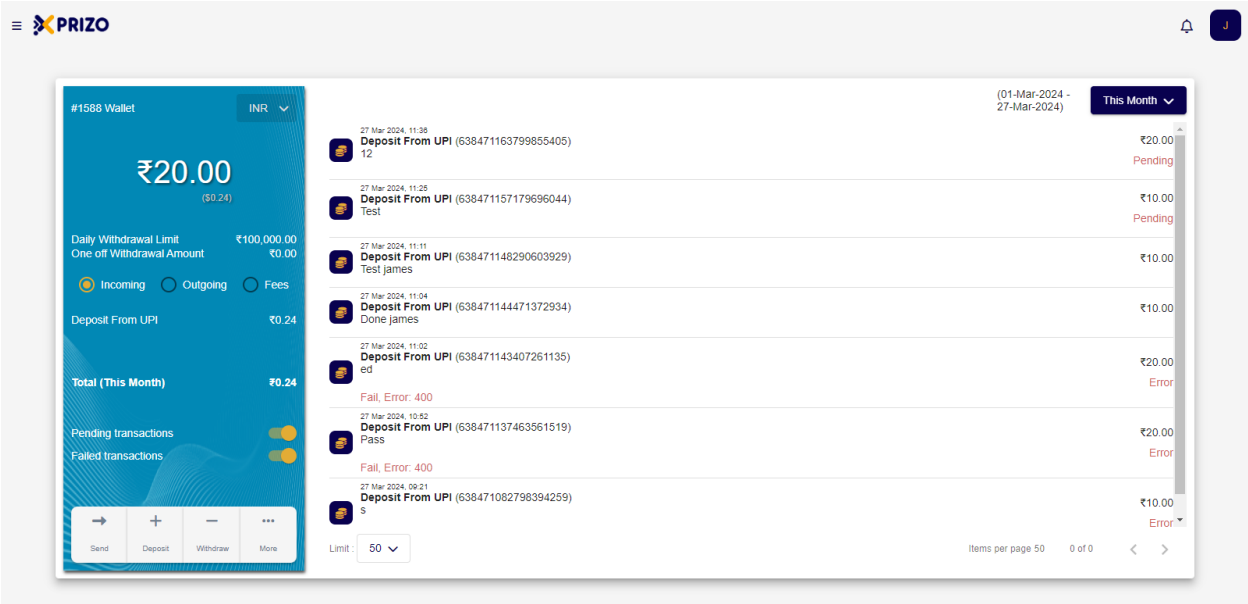
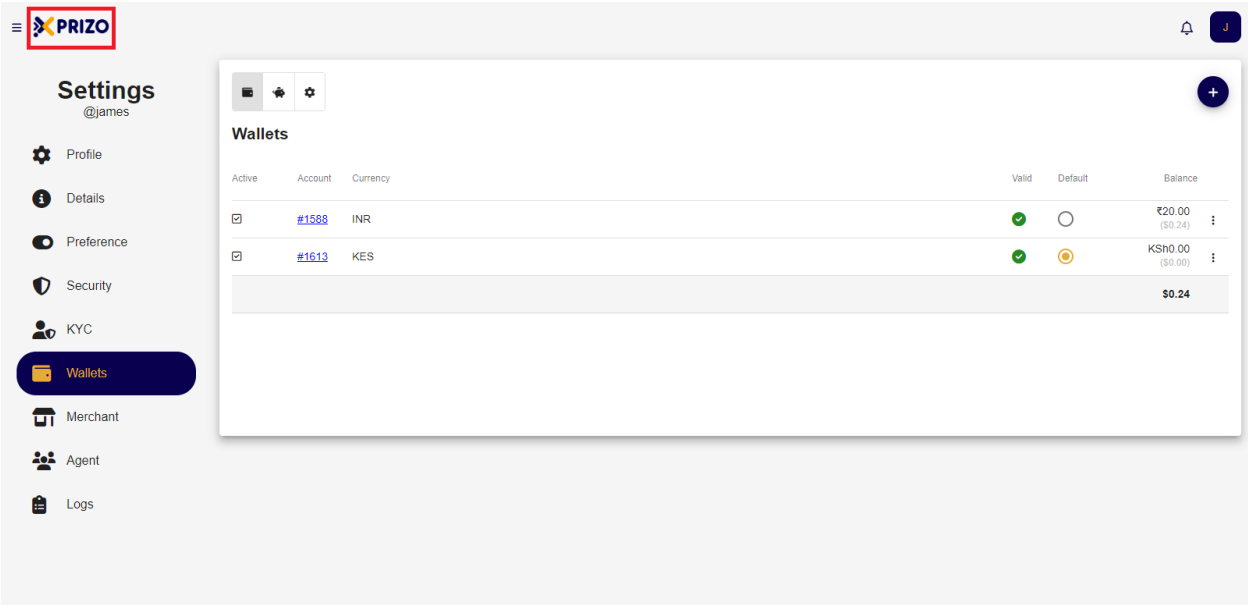
How to Access Wallets?

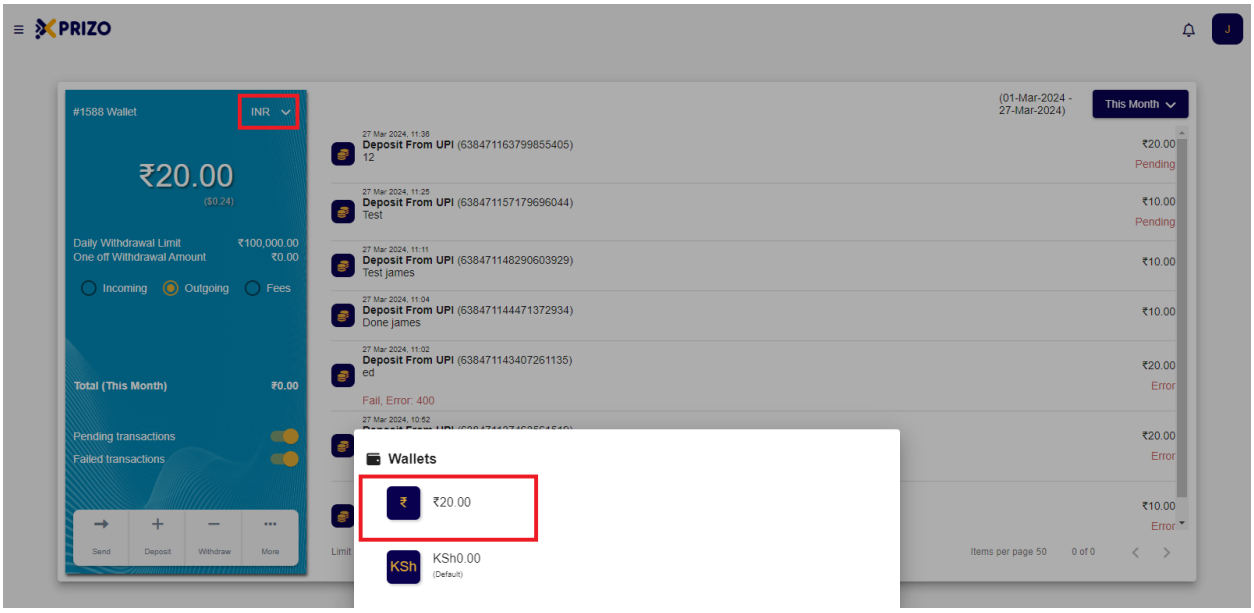
- Sign in to your account using your credentials to access your wallets.



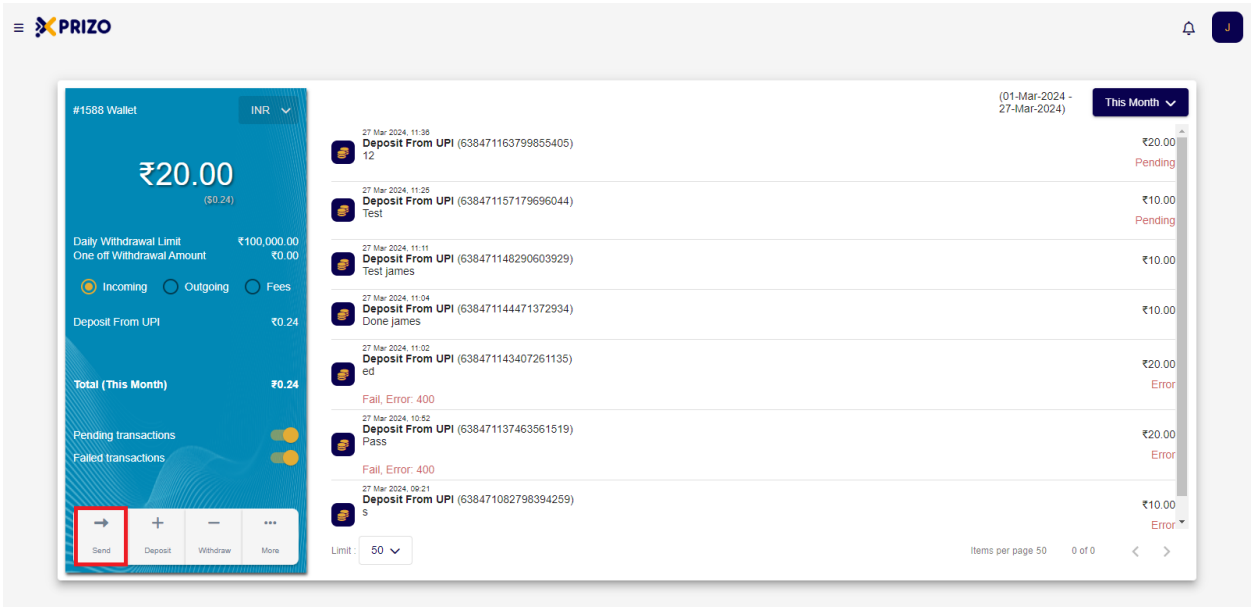
- Select the Xprizo logo located at the top left corner to navigate back to the dashboard and view your added wallets.



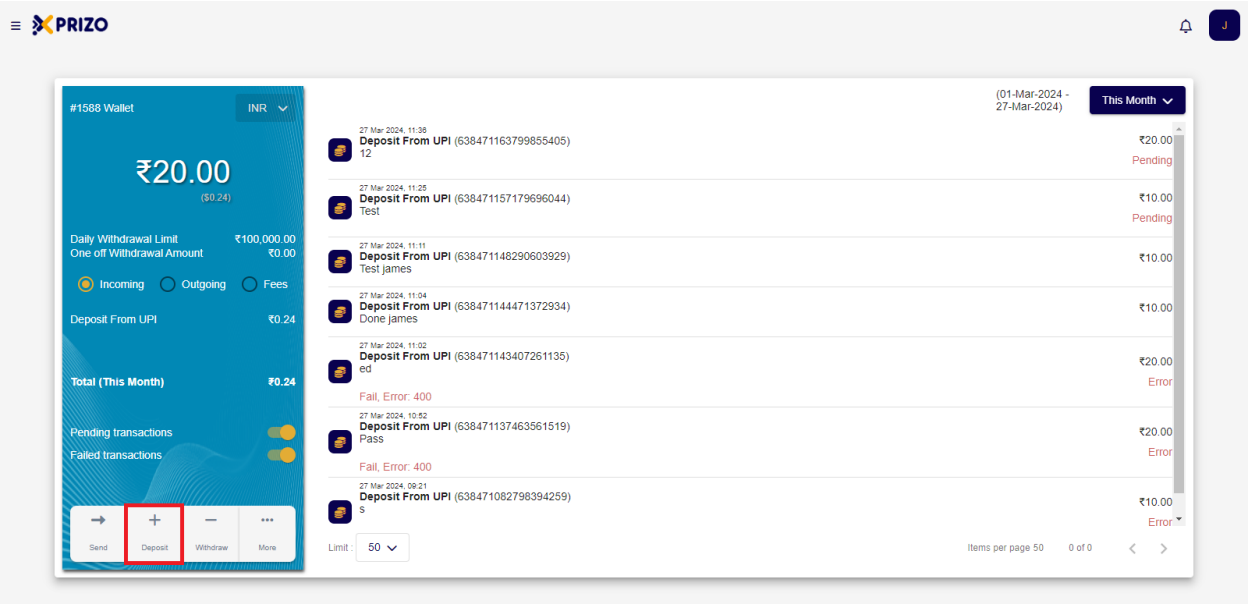
- To switch between wallets, click on the currency dropdown menu and select the desired currency.



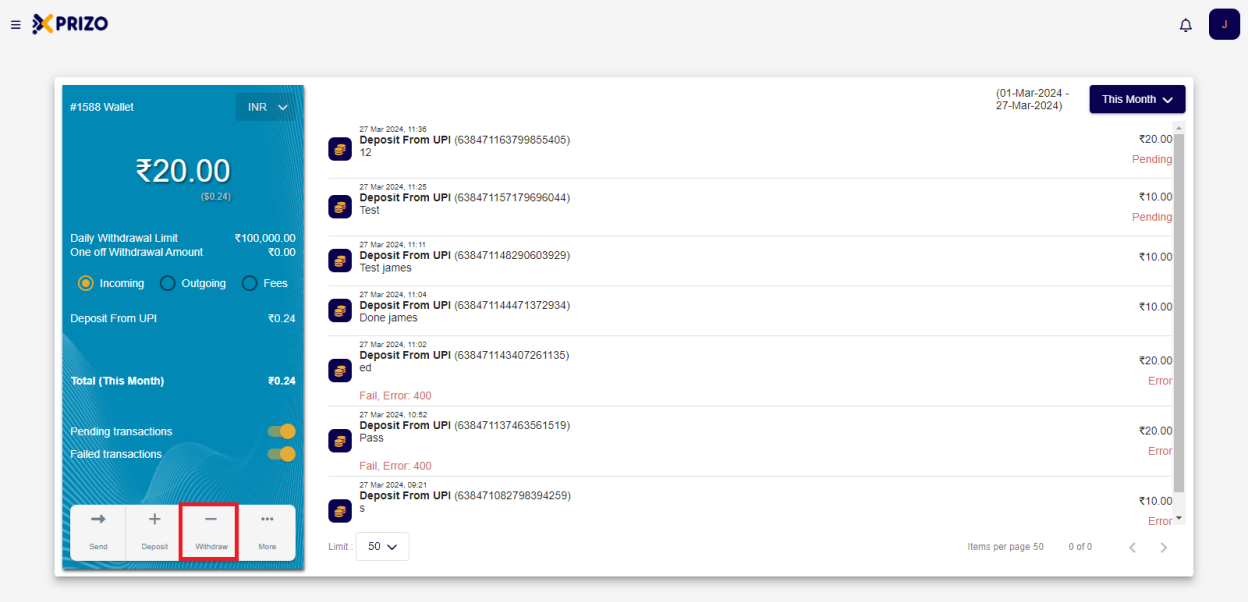
- Click on the "Send" button to transfer money to your added contacts.



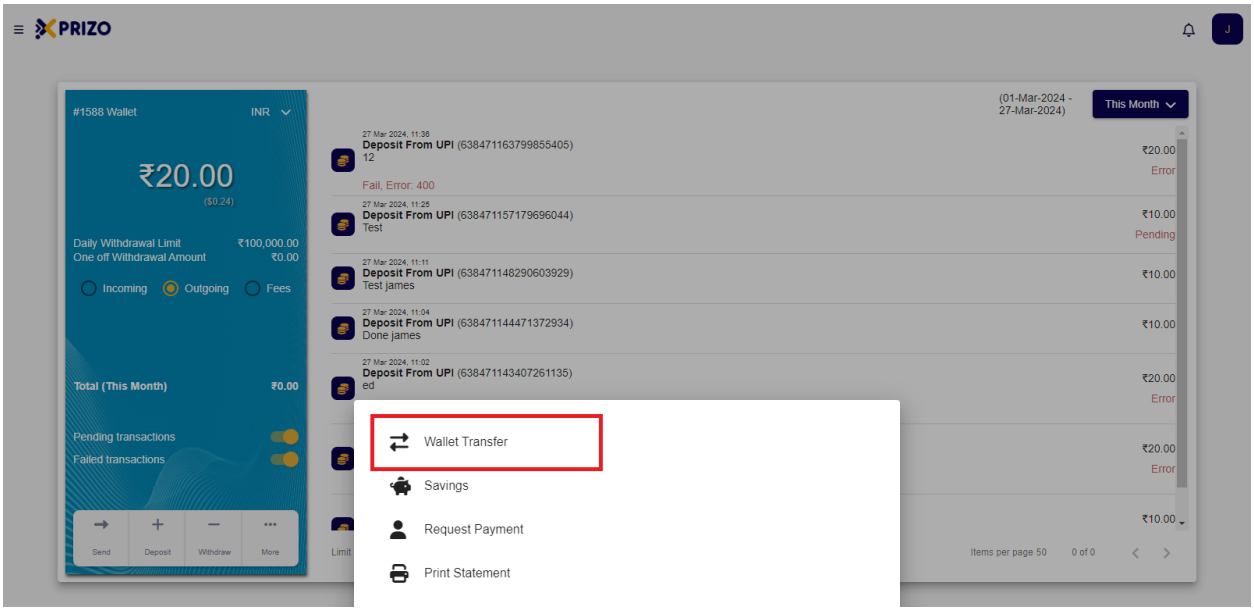
- Click on "Deposit" to add funds to your wallet via Agent, Bank Account, or UPI.



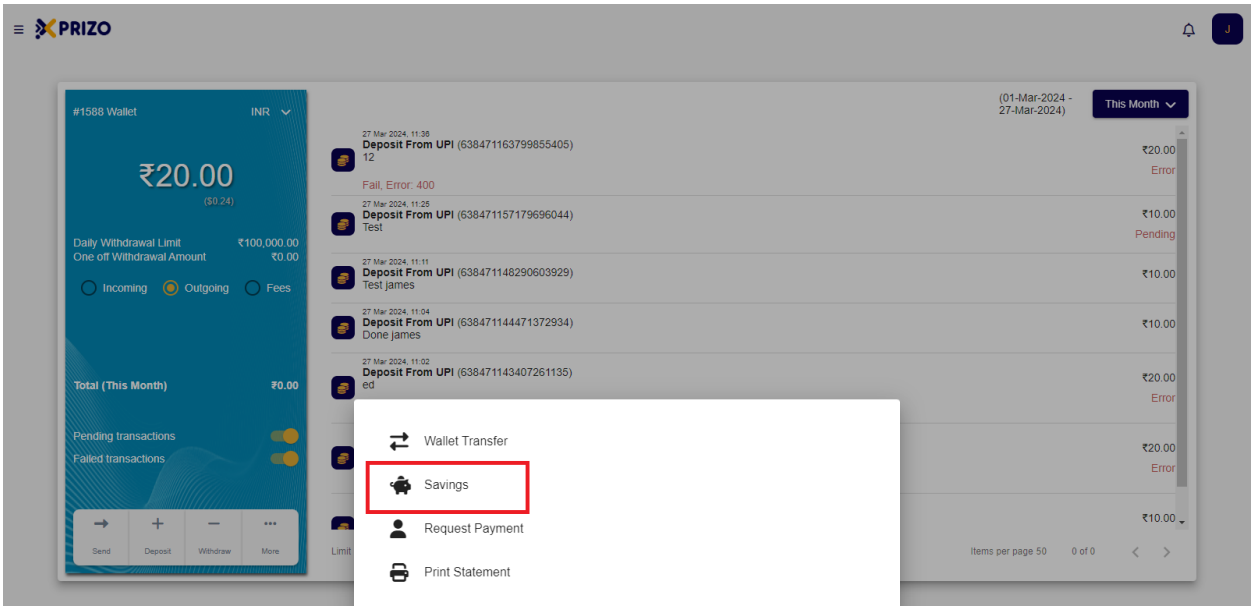
- Click on "Withdraw" to initiate a withdrawal from your wallet via Agent or Bank Account.



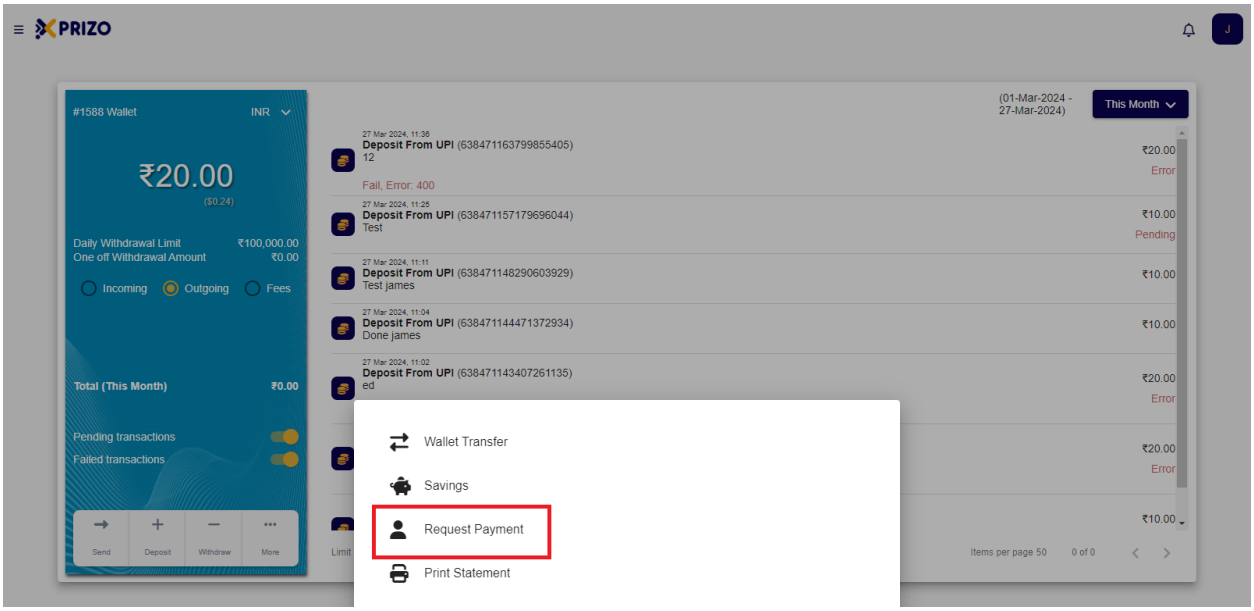
- To perform a wallet transfer, click on the "More" option and select "Wallet Transfer" to exchange currencies between wallets.



- To manage your savings, click on "More" and select "Savings" to view and manage your savings balance.



- To request a payment from someone, click on "More" and select "Request Payment" to initiate the payment request.



- To print a statement click on More and select Print Statement to print a statement.
