

User Details

- To complete your details, click on the profile picture button located at the top right corner, and then navigate to account settings.

- Click on "Details" to access the details section of your profile.

- To update your name, click on the "Name" tab above, enter the new name in the "Full Name" text field, and then click on "Save" to save your changes.

< Details

The image shows a mobile application interface for editing user details. At the top, there are three tabs: 'Name' (selected), 'User', and 'Address'. Below the tabs is a text input field labeled 'Full Name' containing the text 'redmitest'. At the bottom of the form is a dark blue 'Save' button, which is highlighted with a red rectangular border.

- To update user details, navigate to the "User" tab, and enter the required information. If you're updating details for an individual, select the "Individual" tab; for a legal entity, choose the "Legal entity" tab. Enter the relevant details and click "Save" to confirm the changes.

- To update address details, navigate to the "Address" tab and enter the required information. Choose the appropriate tab based on the type of address you're updating - "Postal" for postal address details, or "Physical" for physical address details. Enter the relevant information and click "Save" to confirm the changes.
