

How to Manage Agent Wallet?

- Login to your account using your credentials and click on the hamburger menu to open Agent Wallets.

- Click on Deposit to receive funds from a user, funds received from a user will add the same funds to their user's wallet.

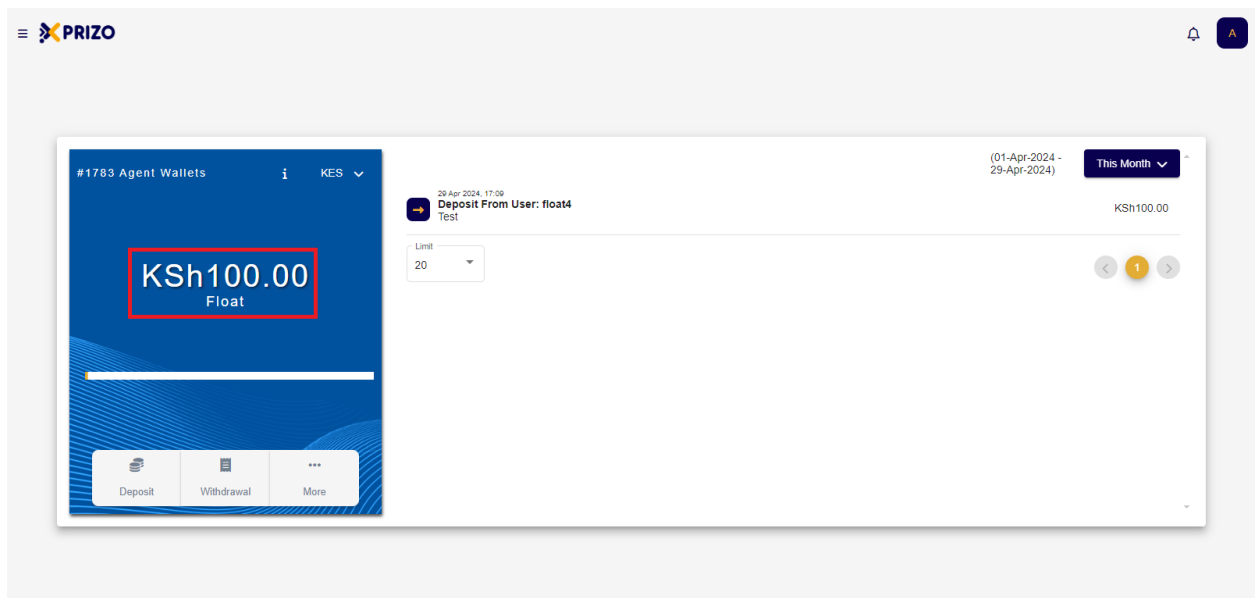

- Choose the person you want to send money to from your contacts or search for them. Enter the amount of money they're giving you in the "amount" field. You can also add a note if needed. Click "Deposit" to accept the money and add it to their wallet.

The screenshot shows the PRIZO app interface for receiving funds. At the top, there's a header with the PRIZO logo and a user profile icon. Below the header, the title "Receive funds from a User" is displayed. A central illustration shows two hands holding smartphones with sun icons. Below this, the text "Max Receivable : KSh10,000.00" is shown, followed by a small note: "As an agent, can receive a deposit from a client and add it to their wallet." The form includes a "Contact *" field with "float4 (KES)" entered, an "Amount *" field with "100.00" entered, and a "Comments" field with "Test" entered. A large blue button with a white plus sign and the text "+ Deposit" is highlighted with a red border at the bottom of the form.

- You will then be redirected to the Agent wallet screen where you will have to approve the transaction in the recent transactions screen. Click the check mark to approve the transaction or if you wish to discard the transaction click on cross to discard the transaction.

The screenshot shows the PRIZO app interface with the Agent wallet screen. The left panel displays the wallet balance as "KSh0.00 Float" with buttons for "Deposit", "Withdrawal", and "More". The right panel shows a list of transactions. A transaction titled "Deposit From User: float4" with a comment "Test" is highlighted with a red border. It shows a timestamp of "29 Apr 2024, 17:08" and a status of "Pending". Below the transaction, there are two buttons: a green checkmark button and a red cross button. The transaction amount "KSh100.00" is also visible.

- Once approved funds received will be added to your agent wallet and the same amount will reflect on the user's wallet as well from whom we received the funds.
